

Honda NS400R

CHRISTMAS DEAL 2025

The Honda NS400R from 1985 is a rare and highly sought-after motorcycle, famous for its innovative V-3 engine and lightweight handling. This stunning bike, imported from Germany, comes with new paintwork, giving it a fresh and vibrant look. A perfect choice for collectors or riders looking for a unique and iconic two-stroke motorcycle

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
