

MV Agusta 350S Ipotesi

MV Agusta 350S Ipotesi

The MV Agusta 350S Ipotesi from 1977 is a rare and iconic motorcycle that blends style, performance, and Italian craftsmanship. With a low mileage of only 4297 km and Dutch papers, this bike is a true collector's item and a testament to MV Agusta's engineering excellence. Known for its classic design and smooth ride, the 350S Ipotesi is a standout in the world of vintage motorcycles.

This bike is in exceptional condition, offering a glimpse into the golden era of Italian motorcycling. Whether you're a collector or an enthusiast, the MV Agusta 350S Ipotesi promises a unique combination of rare low mileage, timeless aesthetics, and unmatched craftsmanship.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
