

Suzuki T500 1973

Christmas Deal 2025

the 1973 Suzuki T500 is a timeless classic that captures the soul of vintage riding.

With just 34,231 kilometers and a striking blue finish, this bike radiates character and authenticity. Known as the “Cobra,” the T500 was Suzuki’s bold answer to British twins, offering reliability and performance in a sleek package.

Powered by a 492cc two-stroke parallel twin, it delivers smooth acceleration and a raw, thrilling sound. Back in the day, the T500 was revolutionary—lightweight, fast, and surprisingly efficient for a two-stroke. This bike is not just a ride through history, but a tribute to Suzuki’s innovative spirit of the 1970s.

We proudly offer this motorcycle in original condition, ready for its next passionate owner.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale. Some still wear their original tyres or brake lines, while others have already been updated.

If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
