

Aprilia RSV Mille SP

This 1999 Aprilia RSV Mille SP is a true masterpiece and a rare find, with only 150 units ever produced. With just 300 km on the clock, this bike is in **like-new** condition, making it an incredible addition to any collection. It comes complete with additional parts and full documentation, further increasing its value for collectors. Whether you're looking for an exclusive piece of motorcycle history or a high-performance sport bike, the RSV Mille SP stands as a perfect balance of both.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
