BMW R 80 GS Dakar from 1986

Discover the legendary BMW R 80 GS Dakar from 1986 – an icon built for adventure. This motorcycle has been fully restored and is in excellent condition, ready to conquer new horizons. With only 17,000 kilometers on the clock and its original white/Dakar color scheme, it radiates authenticity and character.

The R 80 GS Dakar is more than just a bike; it's a piece of history. Famous for its success in the Dakar Rally, this model is celebrated for its reliability, ruggedness, and unmatched riding comfort. Thanks to its air-cooled boxer engine and thoughtful design, it delivers an exceptional experience both on-road and off-road.

We have restored this BMW with passion and precision, ensuring it shines not only in appearance but also in technical performance. A unique opportunity to own a true classic that will continue to hold its value.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
