

BMW R 80GS Tuareg

BMW R 80GS Tuareg

Discover this rare **BMW R 80GS from 1987** – a motorcycle that made history, with only **200 units ever produced**. Featuring the original **Tuareg Blue** finish and an incredibly low mileage of just **1,938 km**, this is a unique opportunity for true enthusiasts. This bike comes straight from Germany and is in excellent condition. The only non-original detail is the seat, but otherwise, this classic GS is authentic and ready for new adventures.

The R 80GS was the pioneer of the GS series, setting the standard for all-road riding. Its reliable 797 cc boxer-twin engine, robust construction, and smooth handling make it an icon. This is not just a motorcycle – it's a piece of BMW history you can own today.

With us, you're not just buying a bike – you're buying a story. A story of freedom, adventure, and timeless engineering. Are you ready to bring this legend back to life?

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
