## BMW R50

This 1959 BMW R50 is a true collector's piece, featuring matching numbers and a beautifully preserved original design. Recently serviced and in ready-to-ride condition, this iconic motorcycle is a rare find for enthusiasts and collectors alike. Although the mirror and center stand are currently missing, they will be installed upon delivery, ensuring the bike is complete when it reaches you.

The R50 from BMW is renowned for its smooth ride, classic styling, and legendary engineering. With its matching numbers, it offers both historical significance and reliability. Whether you're looking to add a valuable piece to your collection or simply want to enjoy the thrill of riding a classic BMW, this R50 is the perfect choice

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
