## Benelli Leoncino 125 sport

The Benelli Leoncino 125 Sport from 1955 is a true icon of Italian elegance and craftsmanship. Its striking red and black design radiates pure passion. Leoncino – meaning “little lion” – was a symbol of freedom and sportiness in the 1950s. This model combines timeless beauty with a rich heritage: Benelli, founded in 1911, is renowned for innovative design and a love for speed. This Leoncino is more than just a bike; it's a piece of history that breathes Italian motorcycle culture. At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
