Benelli Sei 900

The 1982 Benelli Sei 900 is a machine you don't simply own — you experience it. Its iconic inline-six engine was a bold statement of Italian engineering, celebrated for its refinement, distinctive character and unmistakable sound.

The Sei series remains one of the most admired creations in Italian motor history.

This stunning red example has only **3366 kilometres** and comes with **VIN DGM18468OM** and Dutch license plate **82-MF-TZ**. Delivered from the Netherlands, it will be supplied **including a complete service**, ensuring it's ready to enjoy immediately.

The Benelli Sei 900 blends Italian passion, elegance and innovation into a timeless classic. It's a machine that tells a story — a rare inline-six that continues to captivate riders and collectors with its unique charm and rich heritage.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
