## Benelli Tornado 900 LE

Some bikes are built to rack up miles, others to be cherished. This 2002 Benelli Tornado 900 Limited Edition clearly belongs to the latter. With 0 km on the clock, you're looking at a virtually brand-new Benelli, still waiting for its very first ride.

Benelli is an iconic Italian brand, renowned for its racing success, engineering excellence and timeless design – and the Tornado 900 LE is a pure expression of that heritage. The distinctive grey/green colour scheme underlines the exclusive Limited Edition character and turns this bike into a true eye-catcher in any collection.

Its German origin and exceptional, unused condition make this Tornado 900 LE especially attractive for serious collectors. The Benelli family has been building sporty machines for decades; in 1949 Giuseppe Benelli even founded the sister brand Motobi, focused on lightweight, high-performance bikes – a testament to their commitment to innovation and craftsmanship.

Looking for a rare, unriden Italian sports Benelli with a story and serious future potential? We'd be delighted to welcome you and show you this Benelli Tornado 900 LE in person.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
