Condor C 580 Rally

This 1952 Condor C 580 Rally is a rare and characterful classic. Built in an era when riding was raw and mechanical, this motorcycle offers a pure and authentic experience. Finished in striking yellow and showing 33,600 kilometers, it proudly tells its story.

Condor is a brand with strong German roots, known for building robust and reliable machines. The C 580 Rally reflects this heritage perfectly, combining honest engineering with a timeless riding experience. This is not a museum piece, but a classic meant to be ridden and enjoyed.

This example originates from Germany, has been well preserved and features VIN 197651 with registration BL 13 82. A unique opportunity for collectors and enthusiasts looking for something truly special

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
