

Ducati MHE 900 Evoluzione

Ducati MH900e Evoluzione | 2001 | Red | 558 km | Certificate #1608/2000

This Ducati MH900e Evoluzione is one of the rarest and most iconic limited-production Ducatis ever made. Only 2000 were built worldwide – and this is number 1608, delivered with its original certificate.

With just 558 km on the clock, this bike is in exceptional condition, close to new. Originally delivered in Switzerland and now imported into the EU, it's ready for registration or to become the crown jewel in a collection.

Designed by Pierre Terblanche as a tribute to Mike Hailwood, the MH900e features a 904cc air-cooled twin, single-sided swingarm, and distinctive design lines that are now pure collector status.

A unique opportunity to own one of Ducati's most exclusive models.
