

Ducati Superquattro 888

Ducati Superquattro 888

The 1993 Ducati 888 is a true icon of Italian racing heritage and raw performance. Finished in classic Ducati red and showing just 40,606 km, this bike represents the golden era of Superbike engineering. Powered by an 888cc L-twin engine with desmodromic valve control, it delivers 100 hp at 9000 rpm. The lightweight steel trellis frame, Öhlins rear shock and Showa front fork ensure razor-sharp handling.

This Ducati isn't just a motorcycle – it's a street-legal race machine. Developed to meet AMA Superbike homologation standards, the 888 carries the DNA of champions like Doug Polen and Raymond Roche. With its dry clutch, aggressive riding stance and mechanical purity, it offers an unfiltered riding experience for true enthusiasts.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.

Motorcycle details

Year

1993

Mileage

40606 km

Condition

Excellent

Status

For sale

VIN

ZDM888S001888DGM

Brand

Ducati
