Ducati Troy Bayliss 1098 R

This Ducati 1098 R Troy Bayliss from 2010 is a true collector's machine. Only **500 examples were produced worldwide**, and this motorcycle is **number 385**, making it a rare and highly desirable piece of Ducati history.

Developed directly from Ducati's World Superbike programme, the 1098 R delivers an uncompromising riding experience. The 1198 cc Testastretta L-twin, combined with Öhlins suspension and Brembo brakes, creates a machine that feels every bit as special as its racing pedigree suggests.

With just 8,735 kilometres, German origin and the iconic Troy Bayliss colour scheme, this is a Ducati that represents passion, performance and long-term collectability

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
