

Gilera 500 Saturno

Gilera 500 Saturno

The 1949 Gilera 500 Saturno is a testament to Italian engineering excellence, celebrated for its performance and timeless design. Equipped with a 499cc overhead valve (OHV) single-cylinder engine, it delivers approximately 22 horsepower, providing a spirited riding experience characteristic of post-war Italian motorcycles.

This particular model comes with Dutch registration papers, ensuring its authenticity and legal standing for enthusiasts in the Netherlands.

This 1949 Gilera 500 Saturno offers a unique opportunity to own a piece of motorcycling history, embodying the elegance and performance of Italian craftsmanship from the late 1940s

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
