Honda CB400F

A true gem among classic Japanese bikes: this 1976 Honda CB400F in bright yellow, fitted with the rare and sought-after 4-into-4 exhaust system. It has covered 54,748 km and comes with a Dutch registration (MS-75-VX).

Compact, reliable, and full of character, the CB400F remains one of Honda's most beloved classics. This version stands out with its rare combination of color and exhaust – just the way it was meant to be.

A perfect choice for collectors or enthusiasts looking for an authentic 1970s Honda

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
