

Honda CB1100 R 1983

Honda CB1100R(C) 1983

A rare piece of Honda racing heritage, the CB1100R was built for endurance competition and homologation — and quickly became a collector's dream.

This 1983 multicolour example features the powerful **1062cc inline-four engine**, delivering smooth performance and unmistakable 80s character. With **52,729 km** and **Dutch registration**, it's a well-preserved classic ready for the road or your collection

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
