

Honda CB750 Four K1

Honda CB750 Four K1

This 1971 Honda CB750 Four K1 is a beautifully preserved classic with only 17,422 km. Finished in the iconic Candy Ruby Red, it retains its original character and comes from Sweden.

As the second model year of the legendary CB750 series, the K1 offered refined styling and the same revolutionary inline-four engine and 4-into-4 exhaust. This example stands out for its originality and low mileage – a fantastic find for collectors.

A true 1970s icon, ready for the road or your collection.
