## Honda CB750 K0 Candy Gold

The 1970 Honda CB750 K0 is one of those machines you don't just admire—you feel it. This iconic Candy Gold example from Denmark represents the very beginning of the superbike era. The K0 was the four-cylinder breakthrough that proved performance, reliability and design could exist in perfect harmony.

This CB750 has been fully restored and finished with a brand-new paint job. The engine has been professionally rebuilt and has only run a few thousand kilometers since. Everything feels tight, smooth and true to the original Honda spirit of the late sixties. With matching frame and engine numbers, it holds special value for collectors. This isn't just a bike you buy—it's one you treasure. We're proud to offer this rare K0 in exceptional condition. A time capsule from 1970, ready for a new owner who shares the same passion we do

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
