## Honda CB750 K0/K1

A true legend: the 1970 Honda CB750 K0/K1 in classic red. This bike has been fully rebuilt and has only 600 km on the clock since the engine restoration.

This model combines early K0 features with the frame style of the K1, as often seen in the 1970 transitional models. Originally delivered in Finland, now in outstanding condition and ready for riding or collecting.

A rare opportunity to own one of the most iconic motorcycles ever made, in near-new condition

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
