

Honda CBX 1000 A

Honda CBC 1000 A

We proudly present this beautiful **1980 Honda CBX 1000 A**, a masterpiece from Honda's golden era of engineering. The legendary 1,047 cc DOHC inline-six was groundbreaking at its debut and remains one of the most admired engines ever produced, a symbol of Honda's ambition and innovation.

This stunning red CBX from France has **59,250 km** and carries the perfect amount of character. The silky smooth six-cylinder delivers a sound and feeling unmatched by anything else on the road. A CBX isn't just ridden – it's experienced. Widely regarded as a true icon, it stands as one of the most influential classic superbikes ever built.

Carefully sourced by us and ready for a new owner who shares the same passion. A motorcycle to cherish, not just to own.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
