

Honda CBX1000Z

The 1978 Honda CBX1000Z is one of the most iconic motorcycles ever built, featuring a 1,047cc DOHC inline-six engine that set new standards in superbike performance. Known for its smooth power delivery, high-revving nature, and unmistakable exhaust note, the CBX1000Z remains one of the most desirable classics among collectors and enthusiasts.

This CBX1000Z has 50,119 km on the clock and comes with German registration papers. The engine is original but has been painted black, giving it a distinctive look while maintaining its authenticity. With its timeless design and impressive engineering, this CBX is a must-have for fans of vintage superbikes.
