

Honda GL1000 K1 Goldwing

Honda GL1000 Goldwing – 1977 | Blue | 3,450 km

A time capsule from the golden age of touring: this **1977 Honda GL1000 Goldwing** comes in a beautiful **blue finish** and has covered just **3,450 km** – an exceptionally low mileage for a 47-year-old machine.

This early Goldwing model was revolutionary in its time, featuring a **flat-four engine**, shaft drive, and long-distance comfort rarely seen in the '70s. The bike offered here is a well-preserved example from the Netherlands, showing originality and minimal use.

Whether you're a collector or just looking for a timeless ride, this GL1000 is a rare opportunity.
