Honda ST70 Dax 1973 Red

A true classic on small wheels: this **1973 Honda ST70 Dax** is in original condition with only **3,530 km** on the clock. Finished in classic red and registered under **22-YE-80**, this is a rare opportunity for collectors and enthusiasts alike.

The Dax was designed in the 1970s as a compact, lightweight and reliable all-rounder. Its 72cc four-stroke engine and semi-automatic 3-speed gearbox made it easy to ride for all ages. The foldable handlebars even allowed it to fit in a car trunk. This example is completely original paint, seat and details a true time capsule.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
