Kawasaki 500 H1B Mach III

The Kawasaki H1B 500 Mach III from 1973 is one of the most legendary two-stroke triples ever built. Known as the original “Widowmaker,” it combined raw performance with striking styling in its vibrant orange finish. This example has just 15,806 km, making it a true collector’s bike with an unmistakable presence. With Dutch registration, it’s ready to ride or display in any serious collection. A rare chance to own an icon of the 70s motorcycle era.

All our motorcycles are delivered worldwide and have undergone a thorough service check.

For optimal peace of mind, we recommend scheduling an additional maintenance service before delivery — available at an extra cost.
