## Kawasaki Bimota KB1

The Kawasaki Bimota KB1 is more than a motorcycle—it's a statement of Italian engineering fused with Japanese power. Born in 1979, this KB1 is a rare gem finished in striking red and white, originally delivered in Belgium. With chassis number KB100114 and engine code KZT00AE074539, it carries the soul of a racing legend.

Bimota, founded in Rimini, Italy, was known for crafting high-performance frames around powerful engines. The KB1 was their first Kawasaki-powered model, using the heart of the KZ1000 to deliver raw speed and precision handling. Only a limited number were ever built, making this KB1 a true collector's piece.

Whether you're drawn by its aggressive stance, its racing pedigree, or its timeless design, this KB1 is ready to be admired, ridden, and cherished.
