

Kawasaki H1A MACH III 1971

Kawasaki H1A MACH III

The 1971 Kawasaki H1A MACH III is a true icon from the golden age of two-stroke performance. This blue classic, with just 30,541 km, comes from Germany and radiates pure nostalgia.

Powered by a 498cc triple-cylinder two-stroke engine, the H1A delivered explosive acceleration and a raw, untamed riding experience. Kawasaki made its global mark with this bold machine, known for its aggressive power and unmistakable sound.

The H1A wasn't for the faint-hearted: lightweight, fierce, and demanding full rider attention.

Today, it stands as a rare collector's item – a tribute to a time when innovation and courage ruled the road.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
