Kawasaki Z1000R2 Eddie Lawson Replica

The **Kawasaki Z1000R2 Eddie Lawson Replica** from 1983 is one of the most desirable Superbikes of its era. With only **3,684 km**, this example is in truly exceptional condition. Built as a tribute to Eddie Lawson's AMA Superbike successes, the ELR came with a reinforced chassis, upgraded suspension, and a powerful 998cc inline-four engine delivering both raw performance and unmistakable Kawasaki character.

This bike is a rare find, not only because of its low mileage but also due to its iconic green racing livery and its limited production numbers. Collectors worldwide regard the ELR as one of the most authentic Superbikes of the early 1980s, making this example a perfect choice for both enthusiasts and investors.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
