Kawasaki Z900 Custom (1976) – Iconic Power with a Personal Touch

Here's something truly unique: a 1976 Kawasaki Z900, lovingly customized while retaining the unmistakable Z-soul. With 51,262 km on the odometer and a Dutch registration, this bike is more than ready for a new adventure.

The Z900 was a legend in its time, and this one has been subtly transformed into a real head-turner. The powerful inline-four still roars like it did in the '70s, but now comes with a custom look that sets it apart from the rest. Whether you're looking to relive the golden age of motorcycling or add a unique piece to your collection, this Z900 Custom delivers.

Worldwide shipping is available, and we're happy to provide additional pictures, videos, and pricing info upon request. The bike is located in the Netherlands and can be viewed by appointment or videocall

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
