## Laverda 750 S

The Laverda 750 S from 1970 is a true classic from the golden age of Italian motorcycle engineering. With its 744cc parallel twin, sporty design, and robust build, the 750 S was one of Laverda's most iconic models. This particular example, finished in white, has 26,902 km and remains in wonderful condition.

The bike has only had two owners. The current owner purchased it in 2000 from a motorcycle shop, where it was traded in by the first owner. Since then, it has received optical care such as new paintwork, re-chromed details, a new seat cover, stainless steel spokes, and new wiring. Importantly, the engine has never been opened — and at this mileage, it doesn't need to be.

A rare opportunity to own a beautiful, original Laverda 750 S, a machine that captures the spirit of Italian performance and craftsmanship.

All our motorcycles are delivered worldwide and have undergone a thorough service check.

For optimal peace of mind, we recommend scheduling an additional maintenance service before delivery — available at an extra cost.

This optional service is carried out by our trusted mechanics and ensures your motorcycle is in perfect condition upon arrival.
