

MV Agusta F4 750

MV Agusta F4 750

Experience pure Italian racing heritage with this MV Agusta F4 750 from the year 2000. With only 36,490 km on the clock, this superbike is a true collector's item. Designed by Massimo Tamburini – the man behind the Ducati 916 – the F4 750 features a sleek red body, signature underseat quad exhausts, and aggressive aerodynamics.

Whether you're a fan of high-revving inline-four engines or simply appreciate timeless design, this F4 delivers on every level. A perfect blend of power, exclusivity, and Italian craftsmanship

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
