Moto Guzzi Sport P 14 1929-1930

The Moto Guzzi Sport P 14 from 1929 is more than a motorcycle – it's a rolling piece of art and a rare icon from the early days of Italian motor history. Built during an era when Moto Guzzi established itself as a pioneer in reliability and performance, this model embodies timeless elegance and craftsmanship. Its striking red finish and authentic details make it a true collector's dream.

Back in its day, the Sport P 14 was a sensation, admired for its robust engineering and smooth handling. Today, this machine runs perfectly and has recently received a comprehensive service by a certified Guzzi specialist. It's a unique opportunity to own a piece of history that not only shines in any collection but is also ready to hit the road. For enthusiasts who value heritage and design, this is an investment in pure Italian passion.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
