

Moto Guzzi 750 S3

Moto Guzzi 750 S3 (1976) – Italian Muscle with a Soul

The 750 S3 is one of Moto Guzzi's most iconic models – and this 1976 example is a true classic. With 56,830 km, Dutch registration, and that unmistakable red-and-black styling, this is a collector's piece that still begs to be ridden.

Fitted with the legendary transverse V-twin, shaft drive, and triple-disc brakes, the S3 was a serious machine in its time – and still offers a visceral, connected ride today. Whether you're adding to a Guzzi collection or looking for a vintage sportbike with timeless looks and engineering, this one delivers.
