

Moto Guzzi Astore 500 Polizia

Moto Guzzi Astore 500

A true collector's item: this 1949 Moto Guzzi Astore 500 Polizia comes in its original green-grey finish and has only 4,039 km on the clock.

The Astore was the rare predecessor to the legendary Falcone and was originally used by the Italian police. This example comes from a large private collection of Italian motorcycles and has been very well preserved.

A rare opportunity to own a piece of post-war Italian motorcycling heritage – seldom seen in this condition

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
