## Moto Guzzi Le Mans 1 850

The Moto Guzzi Le Mans 1 850 from 1978 is an icon from the golden era of Italian engineering. With its powerful 850cc four-stroke V-twin and striking red design, this machine radiates pure passion and character. The Le Mans series was created to combine sporty performance with the reliability Moto Guzzi is famous for. This example has 40,657 km and tells a story – a bike that's more than just a ride. The Le Mans 1 was a revolution in its time: sporty, aerodynamic, and equipped with an engine that delivered torque and smoothness in abundance. Today, it's a sought-after classic for collectors and enthusiasts who appreciate the charm of Italian craftsmanship. Looking for a bike that offers not just a ride, but an experience? This Moto Guzzi is your chance to own a piece of history.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
