Moto Guzzi V7 00

This beautiful **1967 Moto Guzzi V7** captures the spirit that earned the model worldwide acclaim. Its red-grey finish, classic silhouette and the unmistakable feel of an early Italian V-twin make it a machine that speaks straight to the heart. This example comes from the Netherlands, features a fully rebuilt engine and even includes its original factory certificate.

The V7 line helped establish Moto Guzzi internationally, thanks to its unique character, smooth power delivery and timeless Italian design. Whether you're a collector, a lover of Italian engineering or simply someone who appreciates pure emotion on two wheels, this V7 has everything you're looking for

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
