Suzuki GS 1000 S Wes Cooley 1980

The 1980 Suzuki GS1000S Wes Cooley is a true icon from the era when superbikes ruled the roads. This bike is completely original and has recently received a full service, making it ready for countless new adventures. Its striking blue and white color scheme and sporty windscreens radiate pure racing heritage. Named after Wes Cooley, the legendary American rider who dominated the AMA Superbike Championship in the early '80s, this model is a piece of history.

The GS1000S blends power and reliability with timeless design. Its engine delivers an exhilarating experience, while the classic lines and details offer unmatched authenticity. This isn't just a motorcycle – it's a collectible piece of motorsport history waiting for its next chapter.

At [VintageMotorcycles.nl](https://www.vintagemotorcycles.nl), we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
