Suzuki GS 1000 Wes Cooley 1981

The 1981 Suzuki GS 1000 Wes Cooley is a true icon from the era where speed and style ruled the roads. Named after legendary racer Wes Cooley, this special edition breathes racing heritage. Its striking red and white design combined with a powerful four-cylinder engine makes it a machine that demands attention. With 470,567 km of experience, it stands as a testament to reliability and adventure. For enthusiasts of classic Japanese performance, this is your chance to own a piece of motorsport history.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
