

Suzuki GS1000S Wes Cooley 1980

Suzuki GS1000S Wes Cooley 1980

The Suzuki GS1000S Wes Cooley edition from 1980 is a true icon of superbike history. Built as a tribute to the AMA Superbike champion Wes Cooley, this bike combines Suzuki's legendary GS performance with a racing-inspired design. With its striking red-and-white livery, classic bikini fairing and 998cc four-cylinder engine, the GS1000S remains one of the most desirable Japanese superbikes of the late seventies and early eighties.

This example has 34,690 km on the clock and is in very nice condition. A rare opportunity to own a collector's piece that offers both performance and heritage

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
