

Suzuki GSXR 750

Suzuki GSXR 750

The 1986 Suzuki GSX-R 750 was a game-changer in the world of sportbikes, setting new standards for lightweight performance and track-inspired engineering. As one of the first production motorcycles to feature an aluminum twin-spar frame, the GSX-R 750 delivered unparalleled agility, sharp handling, and race-proven performance. With its lightweight construction, high-revving inline-four engine, and aggressive riding position, this bike was built for riders who craved speed and precision.

This 1986 GSX-R 750 has 34,034 km on the clock and comes with Spanish registration papers. It retains its iconic blue and white livery, paying tribute to Suzuki's racing heritage. This model is becoming increasingly rare in original condition, making it a fantastic opportunity for collectors and enthusiasts.
