

Suzuki GT 125

Suzuki GT 125

This 1976 Suzuki GT 125 is a timeless classic straight from France. With just 49,776 kilometers, original French registration papers, purchase invoice and a set of spare parts, it's a rare opportunity for true enthusiasts.

The blue paint and original frame number GT 125 35692 tell the story of a well-preserved machine. Back in the 1970s, the GT 125 was a favorite among young riders thanks to its air-cooled twin-cylinder two-stroke engine and Suzuki's Ram Air System for improved cooling and performance. This bike is ready for a new chapter in 2025 – whether on the road or as a collector's piece.
original and complete

Delivered with French papers, purchase invoice and spare parts. Everything you need to get started with confidence

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
