Suzuki GT380

The Suzuki GT380 is a true icon of 1970s motorcycling, known for its smooth two-stroke power, triple-cylinder engine, and timeless styling. This 1973 GT380, finished in a striking red, orange, and yellow color scheme, stands out as a rare and collectible classic. With Luxembourg registration papers, it is an excellent choice for European buyers looking for a well-documented vintage motorcycle.

Powered by a 380cc three-cylinder two-stroke engine, this GT380 offers an engaging riding experience with the distinctive sound and character that only a Suzuki triple can deliver. Whether you're seeking a classic bike to ride or a valuable piece to add to your collection, this GT380 is a fantastic opportunity

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
