

Suzuki GT750

Suzuki GT750

An exceptionally original find: this **1972 Suzuki GT750 J**, finished in its stunning factory **Candy Lavender** paint. This first-year J-model, also known as the "Water Buffalo," is in remarkable untouched condition.

With only **35,500 km**, and still retaining its original paint, seat, exhausts, rims, and more, it's a rare opportunity to own a true survivor. Originally delivered in **Sweden**, this bike is now ready for a collector who values authenticity.

One of the most iconic 2-stroke machines of the 1970s – just as it left the factory.
