

Suzuki GT380 1972

Suzuki GT380

The Suzuki GT380 from 1972 is a true icon of the early two-stroke era. With its distinctive green finish and just 29,871 km on the clock, this classic from the Netherlands captures the spirit of the 70s like few others. The GT380 was part of Suzuki's legendary GT series and featured a smooth-running three-cylinder two-stroke engine that offered both performance and reliability. It was designed for riders who wanted the thrill of a sporty ride with the comfort of a touring machine.

This particular GT380, chassis number GT380-15565, is registered under Dutch plate VR-98-37 and comes with matching engine number GT380-15501. A rare find in such original condition, ready to be enjoyed or added to a serious collection

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
