

Suzuki T125 Stinger

Suzuki T125 Stinger

The Suzuki T125 Stinger from 1969 is a true eye-catcher for classic bike enthusiasts. With its striking gold-yellow color and iconic design, it captures the spirit of the 1960s. Back then, the Stinger was a sporty 2-stroke machine, celebrated for its agility and lively character. The compact frame and powerful 125cc two-stroke engine deliver a riding experience that remains unique to this day. This particular example, with a mileage of 260,738 km, is a rare find and a beautiful piece of motorcycle history. The original frame and engine numbers (T125-119778) confirm its authenticity. For collectors and fans of Japanese classics, this is a chance to own a piece of Suzuki heritage. For us, it's not just about selling – it's about sharing passion. This Stinger tells a story of speed, style, and freedom – exactly as Suzuki intended back in 1969. At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
