Suzuki T500 1972

Timeless twin-cylinder in original paint

What a stunning example this **Suzuki T500 from 1972** is a tribute to the 1970s, featuring its iconic green-white paint scheme and just **25,902 km** on the clock.

This bike comes from the Netherlands and has **matching numbers**, making it a true gem for collectors.

the original paint is still intact, radiating the charm of an era when two-strokes ruled the roads.

The T500 was Suzuki's answer to the demand for powerful, reliable two-stroke machines. With its air-cooled 500cc twin-cylinder engine, it delivered impressive performance and smooth handling.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale. Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
