Suzuki T500 Racer – Classic Two-Stroke Track Weapon

This Suzuki T500 Racer is a purebred two-stroke race bike, purpose-built for classic racing events or serious track day fun. With its legendary 500cc twin-cylinder engine, fully rebuilt and tuned for performance, this bike offers raw racing spirit with vintage charm. It's finished in a striking blue and white livery and features racing upgrades throughout.

Whether you're a collector looking to add a genuine piece of motorsport history or a rider with a need for speed on vintage track days—this T500 delivers

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
