

Yamaha RD 350 LC BLUE WHITE

Yamaha RD 350 LCB LEU WHITE

The Yamaha RD 350 LC is one of the most iconic two-stroke motorcycles ever built, representing a golden era of raw and engaging riding. This 1980 example comes in the classic blue and white colour scheme, instantly recognisable and deeply rooted in Yamaha's racing heritage. With Dutch registration and matching frame number, authenticity is key.

When Yamaha introduced the RD 350 LC, it changed the game. Liquid cooling brought improved performance and reliability, while the lightweight chassis and lively engine delivered an unforgettable riding experience. The sharp throttle response, unmistakable two-stroke sound and agile handling still captivate riders today.

We offer this RD 350 LC to enthusiasts who appreciate true character. This is not just a classic to admire, but a machine that rewards every ride with emotion and excitement

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
