

Yamaha RD400

Yamaha RD400 | 1976 | Turquoise/Blue

This Yamaha RD400 from 1976 is a perfect example of a classic 2-stroke machine in original condition. Finished in its factory turquoise/blue paint with original exhausts, it's a true collector's item. It has just 8,271 km on the clock and has recently been fitted with new pistons, meaning it still needs to be properly broken in.

Although this bike does not have matching numbers, it offers an authentic riding experience and all the charm you expect from a vintage 2-stroke. Imported from Germany and remarkably well preserved for its age.

A rare opportunity to own a piece of Yamaha history.
