Yamaha XS1 B 650

The **Yamaha XS 1B 650 from 1971** is an icon from the golden era of motorcycling. With only **40,441 km (25,134 miles)** on the clock, this Candy Orange edition is a rare find. The XS series was Yamaha's answer to the growing demand for powerful, reliable twin-cylinder machines – and quickly became a favorite among enthusiasts worldwide.

This bike breathes authenticity: the classic design, the distinctive sound of the parallel-twin, and the pure riding experience make it a unique opportunity for collectors. We offer this motorcycle at a **fixed price** in its current condition. Want an additional paint set? That's possible! Please note that the price will increase accordingly. Photos of the paint set are included in this ad – feel free to ask us for details and the adjusted price.

A piece of motorcycle history that's as beautiful to look at as it is to ride.

At VintageMotorcycles.nl, we believe in full transparency, every bike is sold in the condition it's in at the time of sale.

Some still wear their original tyres or brake lines, while others have already been updated. If you'd like additional work such as a service inspection, new tyres, or replacement brake lines, that's always possible at an extra cost. This way, you decide how original — or how ready — your next classic should be.
